BROOKLYN | DESK

Three brightness levels (1100, 475, 100 lumens)
Two integrated universal sockets (AC version only)
Two integrated USB ports
Touch activated
Mobile device mount
Weighted base for stability

BROOKLYN DESK AC

The Brooklyn Desk pairs the understated modern curves of the Brooklyn line with the functionality of two universal AC sockets (compatible with US, UK, EURO, and other international plugs), and two USB ports. The fine linen shade offers a sleek and elegant finish to compliment the lines of the aluminum extrusion. The lamp also features a hidden threaded mount for additional stability and security.

FINISHES: Brushed Aluminum | Black Slate

- Lumens | 1100 - 475 - 100
- Color Temp | 3000K
- CRI | 80+
- Efficiency | 85 Lm/W
- USB Ports | 2 (3A total)
- AC Sockets | 2
- Input Voltage | 100 - 240

- BLACK SLATE | 77131
- BRUSHED ALUMINUM | 77130

BROOKLYN DESK USB

The Brooklyn Desk USB pairs the understated modern curves of the Brooklyn line with the functionality of two USB ports. The fine linen shade offers a sleek and elegant finish to compliment the lines of the aluminum extrusion. The lamp also features a hidden threaded mount for additional stability and security.

FINISHES: Brushed Aluminum | Black Slate

- Lumens | 1100 - 475 - 100
- Color Temp | 3000K
- CRI | 80+
- Efficiency | 85 Lm/W
- USB Ports | 2 (3A total)
- Input Voltage | 100 - 240

- BLACK SLATE | 77133
- BRUSHED ALUMINUM | 77132

BROOKLYN | WALL PENDANT

Two brightness levels
ADA Compliant Power Switch
Fine Linen Shade
Easy installation (no hard wiring)
Use your own bulbs

LUX

BROOKLYN WALL PENDANT

The Brooklyn LED Wall Pendant Light features the understated modern curves of the Brooklyn line and a convenient and easy to install wall mounted aluminum extrusion. The light features mounting holes on the back of the extrusion for mounting on 2 screws (included), making installation quick and easy. No hard wiring is required, as the light comes with an integrated power cord. The fine linen shade offers a sleek and elegant finish to compliment the lines of the aluminum extrusion.

FINISHES: Brushed Aluminum | Black Slate

- Lumens | bulb dependent
- Color Temp | bulb dependent
- CRI | Bulb dependent
- Efficiency | Bulb dependent
- Input Voltage | 100 - 240

- BLACK SLATE | 77701
- BRUSHED ALUMINUM | 77700

BROOKLYN | FLOOR

Three brightness levels (1600, 800, 80 lumens)
Touch activated
Triangular weighted base for stability
Ideal for corners and behind furniture

BROOKLYN FLOOR

The Brooklyn Floor LED lamp brings smooth lines and an elegant, fine linen shade together in a compact understated modern design. The triangular weighted base is ideal for difficult corners and comes with a rear kickstand for additional stability.

FINISHES: Brushed Aluminum | Black Slate

- Lumens | 1600 - 800 - 80
- Color Temp | 3000K
- CRI | 80
- Efficiency | 90 Lm/W
- Input Voltage | 100 - 240

- BLACK SLATE | 77211
- BRUSHED ALUMINUM | 77210

BROOKLYN | AC

Three brightness levels (600, 250, 20 lumens)
Two Universal AC sockets
Two USB ports
Touch activated
Small footprint with non-marring stability pad

BROOKLYN AC

The Brooklyn AC LED task light joins understated modern design and seamless functionality to create a useful and elegant desk light. Its two universal AC sockets work with US, UK, Euro, and other international adapters, in addition to the two USB ports. Innovative LED Light panel technology casts energy-efficient, warm, white light. The lamp also comes with a residue-free adhesive stabilizing pad, integrated device mount, and three touch-activated brightness settings.

- Lumens | 600 - 250 - 20
- Color Temp | 3000K
- CRI | 85
- Efficiency | 45 Lm/W
- USB Ports | 2 (3A total)
- AC Sockets | 2
- Input Voltage | 100 - 240

- BLACK SLATE | 77801
- BRUSHED ALUMINUM | 77800

FINISHES: Brushed Aluminum | Black Slate

BROOKLYN | USB + AURA

Three brightness levels (600, 250, 20 lumens)
Two USB ports
Qi Wireless fast-charging (Brooklyn Aura only)
Touch activated
Small footprint with non-marring stability pad

BROOKLYN USB / AURA

(Wireless Qi charging now available)

The Brooklyn USB LED lamp features two USB charging ports, three touch activated brightness levels, and an integrated device shelf compatible with Andriod, iOs, and other small devices. Its small footprint and understated modern design make the Brooklyn USB an efficient option when desk space is limited. Brooklyn AURA features wireless Qi fast-charging.

FINISHES: Brushed Aluminum | Black Slate

- Lumens | 600 - 250 - 20
- Color Temp | 3000K
- CRI | 85
- Efficiency | 50 Lm/W
- USB Ports | 2 (2A total)
- Input Voltage | 100 - 240

- BLACK SLATE (USB) | 77003
- BRUSHED ALUMINUM (USB) | 77002

- BLACK SLATE (AURA) | 77821
- BRUSHED ALUMINUM (AURA) | 77820

BROOKLYN | SCONCE

Warm bright light up to 600 Lumens
Continuously dimmable
Elegantly crafted from a single piece of aluminum
Light is distributed evenly from top and bottom

BROOKLYN SCONCE

The Brooklyn LED Wall Sconce continues the understated modern design of the Brooklyn floor and desk lamps, with its elegant symmetrical finish crafted from a single piece of aircraft-grade aluminum. The dimmable, low-profile sconce casts 600 lumens of bright warm light evenly from the top and bottom. Touch-activated version available for headboards and other applications.

FINISHES: Brushed Aluminum | Black Slate

- Lumens | 600 (dimmable)
- Color Temp | 3000K
- CRI | 93
- Efficiency | 60 Lm/W
- Input Voltage | 100 - 240

- BLACK SLATE | 77601
- BRUSHED ALUMINUM | 77600

TORONTO | FLOOR

Three brightness levels (450, 200, 75 lumens)
Flexible 360° movement
Soft-touch silicone overmold
Low-profile base

TORONTO FLOOR

The Toronto LED Floor Lamp features 360° flexibility and a sleek, unobstructive design. The flexible neck is coated in soft-touch silicone overmold and can be adjusted in all directions, starting above the 42 inch base pole. The Toronto Floor has three touch activated brightness settings which casts bright, warm light at 3000K up to 450 Lumens.

FINISHES: White | Black

- Lumens | 450 - 200 - 75
- Color Temp | 3000K
- CRI | 82+
- Efficiency | 65 Lm/W
- Input Voltage | 100 - 240

- BLACK | 79000
- WHITE | 79007

TORONTO | TASK

Three brightness levels (450, 200, 75 lumens)
Two USB ports
Touch activated
Flexible 360° movement
Soft-touch silicone overmold

TORONTO TASK

The Toronto LED Task Lamp features 360° flexibility, a sleek unobstructive design, and two USB charging ports in the base. The flexible neck is coated in soft-touch silicone overmold and can be adjusted in all directions. The Toronto Task has three touch activated brightness settings which casts bright, warm light at 3000K up to 450 Lumens.

FINISHES: White | Black

- Lumens | 450 - 200 - 75
- Color Temp | 3000K
- CRI | 82+
- Efficiency | 65 Lm/W
- USB Ports | 2 (3A total)
- Input Voltage | 100 - 240

- BLACK | 79010
- WHITE | 79017

TORONTO | GROMMET

Three brightness levels (450, 200, 75 lumens)
Two USB ports
Adjustable grommet mount supports multiple surface thicknesses
Touch activated
Flexible 360° movement
Soft-touch silicone overmold

TORONTO GROMMET

The Toronto LED Grommet Task Lamp features 360° flexibility, a sleek unobstructive design, and two USB charging ports in the grommet base. The flexible neck is coated in soft-touch silicone overmold and can be adjusted in all directions. The Toronto Task has three touch activated brightness settings which casts bright, warm light at 3000K up to 450 lumens. The grommet is designed to fit on desks up to 50mm thick.

FINISHES: White | Black

- Lumens | 450 - 200 - 75
- Color Temp | 3000K
- CRI | 82+
- Efficiency | 65 Lm/W
- USB Ports | 2 (3A total)
- Input Voltage | 100 - 240

- BLACK | 79020
- WHITE | 79027

HIGHLINE DESK

The Highline LED Desk Lamp features both upward-facing and downward-facing illumination, ideal for desks in darker rooms where ambient lighting may be required. The lamp features two USB charging ports, suitable for charging high capacity mobile phones and tablets, as well as touch-sensitive activation with 3 lighting levels. At full power, the Highline LED Desk Lamp casts 600 lumens to the desk surface, and splashes 400 lumens of ambient light upwards.

FINISHES: Matte Black with Copper, Brass, or Black Chrome accents

- Downward Lumens | 600
- Upward Lumens | 400
- Color Temp | 3,000K
- CRI | 85+
- Efficiency | 70 Lm/W
- USB Ports | 2 (2.1A each)
- Input Voltage | 100 - 240

- Matte Black & Copper | 78203
- Matte Black & Brass | 78204
- Matte Black & Black Chrome | 78202

Prochainement

HIGHLINE LED PENDANT

The LUX Highline LED Pendant is suspended vertically with adjustable cable length (up to 4 feet) and emits even lighting out of both sides of the metal extrusion. The Highline LED Pendant boasts 600 lumens of 3000K illumination per each individual pendant. The fixture is dimmable using electronic low-voltage (ELV) dimmers.

FINISHES: Matte Black with Black Chrome, Copper or Brass canopy accent

• Lumens (single)	| 600
• Lumens (triple)	| 1,800
• Color Temp	| 3,000K
• CRI	| 85+
• Efficiency (single)	| 45 Lm/W
• Efficiency (triple)	| 50 Lm/W
• Input Voltage	| 100 - 240

• Black Chrome	(Single)	| 78212
• Copper	(Single)	| 78213
• Brass	(Single)	| 78214

• Black Chrome	(Triple)	| 78222
• Copper	(triple)	| 78223
• Brass	(Triple)	| 78224

HIGHLINE CEILING LIGHT

The LUX Highline LED Ceiling Light is a minimalist ceiling mounted LED fixture with four light heads joining at a central copper locus. The light features downward facing and upward facing light panels to cast bright warm light onto the floor and ceiling. The "X" shaped fixture has subtle polished copper accents and matte black aluminum extrusion arms. Extension poles allow the fixture to be suspended at three lengths: 21-in., 9-in., and 3-in.

FINISHES: Matte Black with Black Chrome, Copper or Brass canopy accent

- Lumens | 3,200
- Color Temp | 3,000K
- CRI | 85+
- Efficiency | 50 Lm/W
- Input Voltage | 100 - 240

- Black Chrome | 78232
- Copper | 78233
- Brass | 78234

DROPLET PENDANT

The LUX Droplet LED Pendant Light was designed around a specific vintage Edison-style LED bulb. The elegantly seamless transition from fixture to bulb gives the LUX Droplet a unique and polished appearance from all angles. The fixture can be used with any E26 style bulb, though is specifically designed to incorporate the LUX LED bulb pictured.

FINISHES: Satin Black, Brushed Copper, and Polished Chrome

- Lumens | 650 with included bulb
- Color Temp | 2200 with included bulb
- CRI | 80 with included bulb
- Efficiency | 100 Lm/W with included bulb
- Input Voltage | 100 - 240

- Copper | 76500
- Satin Black | 76502
- Chrome | 76507

LA BREA PENDANT

The LUX La Brea LED Pendant Light is constructed from cast concrete with a brass cap. The striking charcoal finish is accented by a stark white inner reflective surface. The fixture can be used with any E26 style bulb.

FINISHES: Charcoal Concrete with Brass Accent

- Lumens | Bulb dependent
- Color Temp | Bulb dependent
- CRI | Bulb dependent
- Efficiency | Bulb dependent
- Input Voltage | 100 - 240

- Charcoal | 76602
